

Qwizzy's World is a unique online study site where students, teachers, parents, and tutors can create practice quizzes from current classroom materials. With a student's consistent creating and taking of practice quizzes, QW has been able to promote the development of critical thinking skills, the boosting of self confidence, and a reduction in their test taking anxiety!

GREETINGS TEACHERS

QW Instructional Guide

Your school is participating in the "**QW: Where Studying Funds Education**" campaign – welcome!

Here's how it works:

- *Under your Administrator's direction, you will soon be sending home the information sheet to your students' parents (the one-piece letter and flyer.)*
- *During the year-long QW campaign, students will be given a special savings on their membership by first visiting the www.QWstudy.com sign-up page and joining there under their school name. Since the QW promotion runs for the entire school year, students can sign up anytime at the special discounted rate.*
- *As part of the campaign, **TEACHERS RECEIVE A FREE LIFETIME MEMBERSHIP** to Qwizzy's World (www.qwizzysworld.com) **plus a FREE ONE YEAR MEMBERSHIP FOR THEIR CLASSROOM!***
- *We welcome you to become a member in advance so you can share QW with your students and make them aware of all the great features of the site.*

Once your School Administrator has notified you that the QW Campaign has begun, please follow these steps to activate your personal and classroom accounts:

- 1. Please check your school email or speak with your administrator for a special code to use when signing up!**
- 2. Go to www.QWConnection.com (The front page also includes a link to view this teacher instructional guide, in the event it is needed in the future!)**
- 3. Click on "First Time Teachers Register Here" (upper right hand corner) and enter the code from the email sent to you. Your Administrator can also supply you with this code. Then select your school in the drop down. (Not listed? Email us at Admin@Qwizzysworld.com)**
- 4. Select your name from the drop down listing. (Contact your School Administrator if not listed.)**
- 5. Read/Accept QW Terms and Conditions and QW Privacy Policy.**
- 6. Create your personal Username and Password for your Free Lifetime membership to QW. Please provide a Security Question answer set up for your protection and used in the event you wish to change your Password in the future!**
- 7. Select a Username and Password for your free one year classroom membership.**
- 8. You are now ready to use Qwizzy's World! Simply visit www.qwizzysworld.com and enter your Username and Password in the upper right hand corner.**

Note: Your Classroom Username and Password can only be used by one student at a time in the classroom. To preserve the quizzes on this account, please be sure you sign in with this privately, so it will not be shared and used personally by several students at home.

On the front page of QW is a tutorial called “Wilson the Whiz Kid.” *Wanting to draw parents back into their child’s study environment, QW was designed to assist students in continuing academic excellence at home while enhancing the in-school experience. Wilson is an expert at teaching students not just “what to study” but “how to study!” He takes typical classroom materials like charts, textbooks, vocabulary/spelling words, articles, and class notes and turns them into study questions yielding amazing practice quizzes. His comprehensive tutorial is a great starting point for students - we encourage you to watch this cool feature!*

The “Inside Tour” is also great for quickly becoming acquainted with the QW site!

On www.QWConnection.com you’ll also find a presentation on **“QW Teacher Tips”** filled with unique ideas from teachers using QW Worldwide on tips on how to get started in QW. Simply view on your own or when gathering with your colleagues in grade-level meetings. Also, keep an eye out for exciting updates informing you about QW enhancements. Please feel free to email us your personal and/or classroom ideas, user tips, and testimonials by visiting the front page of www.QWConnection.com.

WELCOME TO QW – HAPPY STUDYING!
